### **Certification**

Accredited CEU Provider by  
IACET

### **Core Competencies**

**UPPER MOHAWK, INC. (UMI)** is a Native American owned and operated Small Disadvantaged Business. UMI offers:

- Financial Analysis
- Historical Accounting
- Administrative Support
- Record Management
- Funds Identification & Assessment
- Financial Process Analysis
- Project Management
- Cost & Proposal Analysis

### **Differentiators**

- GSA Financial and Business Solutions (FABS) schedule holder, SIN 520 13, Complementary Financial Management Services.
- Subject Matter Experts in historical accounting and record management.
- Self-certified Indian Small Business Economic Enterprise per 48 CFR 1480.
- History of teaming with other economically disadvantaged small businesses as well as large professional services firms.
- Successfully graduated from the Small Business Administration's 8(a) Business Development Program.

### **Past Performance**

#### **Office of Historical Trust Accounting (OHTA)**

- Professional accounting and tracking of Federal Government's historical accounting and trust fund and trust land management obligations.
- Trust fund research and analysis; to date, UMI has exceeded OHTA's goals for account distributions by 300% of targeted dollars.

#### **General Electric Aircraft Engines (GEAE)**

- Financial and technical analysis of subcontractor cost and termination proposals and audits of tooling.
- After one year of our performance on this task, the government lowered the long standing risk rating of GEAE's proposal analysis efforts from high to medium, the lowest risk rating available for negotiated procurements.

#### **Bureau of Indian Affairs (BIA)**

- Comprehensive assessment of the Department of the Interior Indian Affairs program's funding allocation and distribution process.
- Included staff interviews, document reviews, flow chart development and data-base creation.
- Provided customer with four unique and viable recommendations for process improvement.

#### **Robins Air Force Base**

- Financial systems data retrievals and analyses, financial management, quality validation checks, customer service and administrative support services to the 78th Comptroller and Contracting Squadron.
